Word from the President

Goodbye Summer, Hello Autumn

This is an exciting time of year for LCC members, it's a return to our regular Wednesday night meetings, and we're armed with lots of amazing photos we have taken over the summer. Autumn is also a wonderful season to photograph, the crisp air, vibrant colours, and pumpkins! The schedule of meet ups and photo walks put on by the LCC is sure to catch your fancy this fall. The Parade of Lost Souls Meet up sounds particularly interesting to me!

As your new President, I look forward to carrying on the good work of the previous LCC Presidents. Please share your ideas for development night, program night and evaluations with the executive members, or myself, anytime. We really value feedback so please let us know how we are doing! It's going to be a great LCC year!

Sheena Wilkie

Special Workshop with Rick Hulbert

This is special event for LCC members only with internationally recognized, award winning Architect, Urban Designer, and Professional Teacher of Photography, **Rick Hulbert**. The event will take place over the weekend of September 15 and 16, with an introductory presentation on September 123 and evaluative critique on October 24. See the details on the [LCC Website here](#).

Please note that the Evaluation Night normally scheduled for September 12 has been postponed until September 19 in order to offer this special event. For this night only, the evaluation will be held in the Lions Club Hall.

Other Upcoming Events

[For detailed information about other upcoming events, please visit LCC website here](#)

Membership fees have been increased to \$60 for individuals and \$90 for families. Fees are due by September 30.

Meetups

We are looking forward to an exciting new year of Meetups with LCC. We have some new ideas and some of your old favourites that have been popular in the past. In September, since we have the 2 day workshop with Rick Hulbert mid September we will only hold one meetup later in the month. The first will be at Cloverdale race track. Tentative date Sept. 28th, evening. This is a great way to get to know other members, outside of our meetings, so please join us when you can. If anyone has any suggestions for meetups, please contact myself or any of the members on the team. We love new suggestions.
